

## Courses Available

**Creative Dance - Age 3 & 4.** Develops imagination and creativity through basic ballet technique while enhancing motor skills and music appreciation.

**Pre-Ballet - Age 4 & 5.** Encompasses all of the above with a deeper concentration on actual ballet steps.

**Classical Ballet - Age 6 - Pre-professional.** Based primarily on the Enrico Cecchetti method which emphasizes correct body alignment and proper placement necessary for all dance disciplines; develops a sense of accomplishment and self-discipline through barre and center exercises; allows dancers to develop expression through dance.

**Jazz - Age 6 & up.** Combines jazz techniques including classical jazz, and character classes which emphasize musical theater technique.

**Lyrical Jazz - Age 8 & up.** Jazz with more contemporary movement.

**Tap - Age 4 and up.** A program concentrating on rhythm, syncopation, and all the elements encompassing tap technique.

**Modern - Ages 8 and up.** The focus is on the transformation of felt experience into externalized forms originating from an inner source.

**Hip-Hop - Ages 6 and up.** Dance form used by contemporary artists for video and concert productions.

**Rhythmic Gymnastics - Age 8 and up.** Gymnastics combining basic tumbling, dance and the use of props such as ribbons, balls, and hoops.

**Voice, Guitar, Percussion**

*Trying to decide between a few different studio options?*

As a parent we realize you have a choice between several studios. All studios are not the same. We constantly improve to ensure we are always providing our students and parents with the best experience possible.

We invite you to see why our studio has been chosen more than any other studio.

**Located in Jupiter - off Central Blvd  
South of Indiantown Rd**
