

Inclement Weather Policy

In the event, there is inclement weather and we are under a severe weather advisory (roads are or are becoming hazardous due to heavy rains, severe storms, power outage, etc. are expected). JDA will cancel classes. When these conditions are in effect in the AM, morning classes will be canceled in conjunction with the County of Palm Beach Schools. A determination will be made between 1:00-2:00 PM for all afternoon and evening classes if weather conditions merit class cancellations. An email and/or text will be sent as a notification for class cancellations. NOTE: the County of Palm Beach Schools close for other reasons, JDA will not close under these conditions as deemed by the County of Palm Beach Schools. Please check your inbox for notification of when classes are canceled.

Parents reserve the right to not bring their students to classes due to weather conditions. However, JDA does not schedule make-up classes for classes canceled due to extreme weather conditions. Dancers are encouraged to make up a missed class during another age range or type of dance class at any time during any session. Parents, please notify staff when your dancer will make up a missed class.
